REF: 7-30180016
SSN: XXX-XX-4736

Total debt due United States as of March 24, 2025: \$268,195.20, (principal \$125,698.74, interest \$142,496.46).

I certify that the Department of Health and Human Services' (HHS) records show that the individual named above is indebted to the United States in the amount stated above. Interest accrues on the principal amount of this debt at the fixed rate of 10.297% per annum. The interest accrues at \$35.46 per day.

The Indian Health Service Scholarship Program (IHSSP) is authorized under Section 104 of the Indian Health Care Improvement Act (P.L. 94-437), codified at 25 U.S.C. § 1613a, to provide a stipend, tuition, fees, etc., for individuals who attend health profession schools and agree to serve upon graduation. In return for awards, applicants must agree to provide health services in an Indian health program for a period of obligated service equal to one year for each year of scholarship award received, with a minimum obligation of two years. Ms. Poblano received funds totaling \$41,899.58.

Participants of the service obligated IHSSP who breach their contracts are subject to the conditions as stated in Title 25 U.S. Code § 1613a and the implementing regulations for that program, 42 CFR Part 136. Ms. Poblano signed IHSSP contracts on August 13, 2012, and July 23, 2013, and July 25, 2014, agreeing to comply with the obligations and responsibilities as outlined.

Because she did not complete the service obligation in compliance with her IHSSP contract, all funds paid to her or on her behalf, plus damages and interest calculated pursuant to 25 U.S.C. §§ 1613a(b)(5)(B) & 1616a(l), became a debt owed to the Federal Government. The debt was to be repaid within one year of the date of default which was January 31, 2018, and the debt became delinquent as of January 31, 2019. The interest rate charged was at the private consumer rate of interest and determined by the Secretary of Treasury.

By email dated September 20, 2017, IHS requested that Ms. Poblano provide a status update on obtaining her LCSW license. Ms. Poblano informed IHS, that she is working on obtaining the license for LMSW. In a subsequent email, IHS, requested that Ms. Poblano provide her graduation date, diploma, and official transcripts, so that her file can be kept up to date.

On September 28, 2017, IHS contacted Ms. Poblano again, requesting that she provide her diploma and final official transcripts. She did not respond. Additionally, IHS sent her an email on January 31, 2018, that stated she was being placed in default due to exceeding the allotted time frame of 90 days from her graduation date to schedule and take the LMSW, a requirement prior to obtaining supervised clinical hours for LCSW licensure.

Ms. Poblano was notified by letter dated February 14, 2018, that she had been placed in default of the conditions of your IHS Scholarship award, and her debt would become due within one year of the default. She was instructed to establish the repayment of the debt within thirty days.

By letter dated March 23, 2019, Ms. Poblano was advised that her account had been referred to a private collection agency. She was notified that unless payment in full or an RA was concluded, the account would be referred to DOJ for enforced collection. She did not respond.

In a letter dated April 05, 2019, Ms. Poblano was advised that her account was delinquent. She was notified of HHS' intent to refer her debt to other Federal agencies for the purpose of administrative offset, which may include Federal tax refund offset, salary offset, wage garnishment, and other Federal or State Agencies payments. She was advised that paying the debt in full or entering into an RA would terminate administrative offset. She did not respond.

By letter dated June 10, 2019, HHS responded to Ms. Poblano's request for a waiver. HHS informed Ms. Poblano of its decision to deny her request, along with the criteria used to reach the decision. Additionally, the letter provided information on how to appeal the waiver denial.

Ms. Poblano appealed the waiver denial letter. IHS in an email dated October 30, 2019, requested additional information from the debtor for the IHS Waiver committee. In response via email on October 31, 2019, Ms. Poblano stated that she was preparing to take the exam in February 2020. By letter dated January 09, 2020, HHS informed Ms. Poblano of its decision for denying her appeal of waiver request. The letter informed the debtor that her application does not meet the criteria necessary for granting a partial or total waiver. However, the appeal does qualify her for a 6-month deferment. Furthermore, the letter stated that if she did not find employment after 6-months of deferment, debt collection will resume.

By letter dated January 31, 2020, Ms. Poblano was again informed that she had been granted a 6-month deferment effective January 09, 2020, based on her financial and employment status. The debtor was also informed that debt collection will resume on July 09, 2020.

The debtor reached out to IHS via email on June 22, 2020, with concerns pertaining to running into difficulties with scheduling the licensure examination. In the same email, the debtor requested for an extension. In an email dated June 23, 2020, IHS agreed to extend the deferment date to September 30, 2020. The debtor was instructed to provide documentation if the date needs to be extended again.

By email dated October 01, 2020, HHS reached out to the debtor to request documentation needed to conduct a financial review, a precursor to considering the debtor for a potential repayment agreement. On October 13, 2020, HHS confirmed receipt of the documents and informed the debtor a review will be conducted.

By email dated January 20, 2021, HHS requested additional documentations including but not limited to three most recent paystubs; educational expense statements or receipts; three months of recent mortgage statements and three months of most recent bank statements from the debtor. These additional documents were needed as part of the financial review for a repayment agreement. The debtor complied by providing documents via email on January 25, 2021.

After the financial review was completed, HHS responded to the debtor via email on March 03, 2023, and recommended a monthly repayment in the amount of \$1050.00 over 30 years. HHS informed the debtor that her request for a lower monthly repayment amount has been denied, due to several deductions that were disallowed.

Additional notifications and demand letters regarding the indebtedness was sent on the following dates: February 05, 2021, July 16, 2022, and November 23, 2023.

By letter dated March 18, 2024, Ms. Poblano was sent a final notice regarding the delinquent debt. She was advised that if payment was not received within thirty days, the debt would be referred to the DOJ for litigation. She did not respond.

By letter dated April 10, 2024, the debtor was informed of a recent audit of her account, which revealed an incorrect principal balance of \$96,015.00 and incorrect interest rate of 10.271% was applied. The letter notified the debtor that the new and correct principal \$125,698.74 and new interest rate of 10.297% have been applied to the account. She did not respond.

The following provides a breakdown of payments made on the debt:

Treasury Offset Payments	09/04/2019 – 02/06/2020	\$2,515.69
Voluntary Payments	10/22/2020 – 01/27/2021	\$300.00
Total		\$2,815.69

Repeated attempts by HHS have been unsuccessful in establishing an acceptable repayment agreement. The debt is now being referred to the U.S. Department of Justice (DOJ), for enforced collection.
